Jyotiraditya Sikder

BE Chemical Engineering 1st Year.

Through the secrets of organic and inorganic compounds, I am diving deep into the world of complexities. Physics, Chemistry and Mathematics has always been the field of my interest. For my interest in Core Engineering than Tech, I preferred Chemical Engineering. Aspire to earn a Doctor's degree & complete research in any of the Core Branches specially inclined towards Atomic & Gravitational

EDUCATION

Bachelor's of Engineering
Birla Institute of Technology & Science, Pilani

12/2021 - Present   *Hyderabad*

Courses
- Chemical Engineering

Class 10 + 2
Bhavan's Gangabux Kanoria Vidyamandir

04/2019 - 03/2020   *91.4%*

Courses
- English
- Mathematics
- Physical Education
- Physics
- Computer Science
- Chemistry

WORK EXPERIENCE

Intense Industrial Software Development
TechAnalogy

10/2021 - 12/2021   *Online*
https://certificate.givemycertificate.com/c/1a61d12e-a2f6-48c7-8931-f9e3751d2cb7

Achievements/Tasks
- MERN Stack
- HTML, CSS, JS
- FIGMA, Hiroku, Postman

ORGANIZATIONS

Scientist for a Day India, NASA (12/2019 - Present)
National Coordinator

International Astronomy and Astrophysics Competition (02/2018 - Present)
Indian Ambassador

SKILLS & ABILITY

C++ (Gold - HackerRank)   Python   HTML/CSS

Project Management   MERN Stack   Figma

Team Leadership   Public Speaking

PERSONAL PROJECTS

YouTube Clone using RestAPI & ReactJS (10/2021 - 11/2021)
- Completed and successfully build the model

Build a Face Recognition Application using Python (04/2021 - 05/2021)
- Received a Certificate by GUVI - Credential B946692r16118gfQ67
- Learned the basics of Python and how to make applications

20 pages Research on 3000 people survival at Mars - Mars Society (08/2018 - 04/2019)
- Called for presentation to University of Southern California

Autonomous (AI Like) Chatbot - Sophia (03/2017 - 10/2018)
- Was the center of attraction at School Exhibition.

Gravimetric Detection of Earth's Rotation Using Smartphone (03/2018 - Present)
- My collected data was used in a paper at IEEE

CERTIFICATES

Microsoft Hour of Code (05/2018 - 05/2018)
Powered by Code & Minecraft

Certified Sustainable Development Professionals (04/2018 - 04/2018)
Embry Riddle Aeronautical University

Guinness World Record - GUVI Network : IITM Research Park (04/2021 - 04/2021)
Credential ID:- R9W3978463gI1e61M4

ACHIEVEMENTS

Winners at Calcutta University Quiz (06/2018 - 06/2018)

First Runners Up at ISRO-VSSC Quiz (09/2018 - 09/2018)

Special Mention at ISRO - VSSC Extempore (09/2018 - 09/2018)
